 4. Once the hearing is held, or if the parent, guardian, adult student, or resident keeping an "affidavit student," does not respond within the designated time frame to the Superintendent's notice or appear for the hearing, the Board of Education shall make a prompt determination of the student's eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2 **and G. above**.
 5. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board of Education or a Board committee, at the discretion of the full Board. JK. Assessment and Calculation of Tuition – N.J.A.C. 6A:22-6

1. If no appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an “affidavit” student following notice of an ineligibility determination, the Board of Education may assess tuition for up to one year of a student’s ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner.
 - a. If the responsible party does not pay the tuition assessment, the Board of ~~Education~~ may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of ~~Education~~ pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.
2. If an appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an “affidavit” student and the petitioner does not sustain the burden of demonstrating the student’s right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition for the period during which the hearing and decision on appeal were pending, and for up to one year of a student’s ineligible attendance in a school district prior to the appeal’s filing and including the twenty-one day period to file an appeal.
 - a. Upon the Commissioner’s finding that an appeal has been abandoned, the Board of ~~Education~~ may remove the student from school and seek tuition for up to one year of ineligible attendance pursuant to N.J.A.C. 6A:22-6.1(a) **and J.1. above** plus the period of ineligible attendance after the appeal was filed. If the record of the appeal includes a calculation reflecting the tuition rate(s) for the year(s) at issue, the per diem tuition rate for the current year and the

date on which the student's ineligible attendance began, the Commissioner may order payment of tuition as part of **their** ~~his or her~~ decision. In doing so, the Commissioner shall consider whether the ineligible attendance was due to the school district's error. If the record does not include such a calculation and the ~~Board of Education~~ has filed a counterclaim for tuition, the counterclaim shall proceed to a hearing notwithstanding that the petition has been abandoned.

- b. An order of the Commissioner assessing tuition is enforceable through recording, upon request of the Board of ~~Education~~ pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division, in accordance with N.J.S.A. 2A:58-10.
3. Tuition assessed pursuant to the provisions of N.J.A.C. 6A:22-6 shall be calculated on a per-student basis for the period of a student's ineligible enrollment, up to one year, by applicable grade/program category and consistent with the provisions of N.J.A.C. 6A:23A-17.1. The individual student's record of daily attendance shall not affect the calculation.
4. Nothing in N.J.A.C. 6A:22, **Policy 5111, and this Regulation** shall preclude an equitable determination by the Board of ~~Education~~ or the Commissioner that tuition shall not be assessed for all or part of any period of a student's ineligible attendance in the school district when the particular circumstances of a matter so warrant. In making the determination, the Board of ~~Education~~ or Commissioner shall consider whether the ineligible attendance was due to the school district's error.

Such efforts shall include, but need not be limited to, the establishment of a neutral meal plan or voucher system that does not make a distinction between subsidized and unsubsidized students; and
3. Make every effort to:
 - a. Facilitate the prompt and accurate identification of categorically eligible students who may be certified to participate in the program, on a subsidized basis, without first submitting an application therefore, and, whenever an application is required to establish eligibility for subsidized meals, encourage students and their families to submit a subsidized school meals application for that purpose;

- b. Facilitate and expedite, to the greatest extent practicable, the subsidized school meals application and income-eligibility determination processes that are used, by the district, to certify a student for free or reduced price school meals on the basis of income, and assist parents in completing the school meals application; and
- c. Encourage students who are neither categorically eligible nor income-eligible for free or reduced price school meals to nonetheless participate, on a paid and unsubsidized basis, in the program.

If the district participates in the Federal School Breakfast Program, the district is encouraged to increase the number of students participating in the program by establishing a breakfast after the bell program that incorporates school breakfast into the first-period classroom or the first few minutes of the school day pursuant to N.J.S.A. 18A:33-11.1.

Pursuant to N.J.S.A. 18A:33-14a., school breakfasts made available to students under a school breakfast program or a breakfast after the bell program shall meet minimum nutritional standards, established by the New Jersey Department of Education.

The State of New Jersey shall provide funding to each school in the district if the school operates a School Breakfast Program or a breakfast after the bell program, as may be necessary to reimburse the costs associated with the school's provision of free breakfasts, pursuant to N.J.S.A. 18A:33-14a.b., to students who are Federally ineligible for free or reduced price meals.

In accordance with N.J.S.A. 18A:33-23, the district shall notify each student enrolled and the student's parent of the availability of, and criteria of eligibility for, the summer meals program and the locations in the district where the summer meals are available. The district shall provide this notification by distributing flyers provided by the New Jersey Department of Agriculture pursuant to subsection N.J.S.A. 18A:33-23.c. The district may also provide electronic notice of the information through the usual means by which the district communicates with parents and students electronically.

Pursuant to N.J.S.A. 18A:33-26.a., the New Jersey Department of Agriculture may grant a waiver of the requirements of N.J.S.A. 18A:33-24 et seq. To be granted a waiver, the district must show that it lacks the staff, facilities, or equipment to sponsor the Federal Summer Food Service Program, or the means to finance the hiring or acquisition of such staff, facilities, or equipment. The New Jersey Department of Agriculture also may grant a waiver for one year to the district if a different sponsor currently runs the Federal Summer Food Service Program within the district's community.

Pursuant to N.J.S.A. 18A:33-26.b., the district shall report to the New Jersey Department of Agriculture, in the manner prescribed by the New Jersey Department of Agriculture, its reasons for requesting a waiver of the requirements of N.J.S.A. 18A:33-24 et seq. D. Free or Reduced Price Meals' Application Process – 7 CFR 245

School meals applications shall be reviewed in a timely manner. An eligibility determination will be made, the family will be notified of its status, and the status will be implemented as soon as possible within ten operating days of receipt of the completed application pursuant to 7 CFR 245.6(c)(6). Any student found eligible shall be offered free or reduced price meals or free milk immediately upon the establishment of their eligibility and shall continue to receive such meals during the pendency of any inquiry regarding their eligibility in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture. Carry-over of previous year's eligibility for students shall be in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture.

In accordance with 7 CFR 245.6(c)(1) and (2), eligibility for free or reduced price meals, as determined through an approved application or by direct certification, must remain in effect for the entire school year and for up to thirty operating days in the subsequent school year. Prior to the processing of an application or the completion of direct certification procedures for the current school year, children from households with approved applications or documentation of direct certification on file from the preceding year, shall be offered reimbursable free and reduced price meals, as appropriate.

In accordance with 7 CFR 245.6(c)(6)(iii), children from households that notify the local educational agency that they do not want free or reduced price benefits must have their benefits discontinued as soon as possible.

Pursuant to 7 CFR 245.6(c)(7), if the district receives an incomplete school meals application or a school meals application that does not meet the eligibility criteria for free or reduced priced benefits, the school meals application must be denied. The district shall document and retain the denied school meals application and reasons for ineligibility for three years in accordance with 7 CFR 245.6(e).

In accordance with 7 CFR 245.6(c)(7), parents of students who are denied benefits must receive prompt, written notification of their denial. The notification may be provided by mail or e-mail to the individual who signed the school meals application. Posting the denial on the "notification" page of an online system does not meet this requirement. Likewise, informing the parent of denial via telephone does not meet this requirement. If the district uses an automated telephone information system to notify parents of denied benefits, the district must also provide the parents with written notification of the denial. The notification must provide the: reason for denial of benefits; right to appeal; instructions on how to appeal; and ability to reapply for free and reduced price benefits at any time during the school year.

In accordance with 7 CFR 245.6(e), the district shall record the eligibility determination and notification in an easily referenced format. The record shall include the: denial date; reason for denial; date the denial notice was sent; and signature or initials of the determining official (may be electronic, where applicable).

Any parents of students who have benefits that are to be reduced or terminated must be given ten calendar days' written notice of the change prior to the date the change will go into effect pursuant to 7 CFR 245.6a(j). The first day of the advance notice period shall be the day the notice is sent. The notice of adverse action may be sent via mail or to the e-mail address of the parent. The district shall notify the household of adverse action by phone only.

Pursuant to 7 CFR 245.6a(j), the notice of adverse action must advise the parents of: change in benefits; reasons for the change; an appeal must be filed within the ten calendar days advance notice period to ensure continued benefits while awaiting a hearing and decision; instructions on how to appeal; and the parents may reapply for benefits at any time during the school year.

If the district participates in any National School Lunch Program, School Breakfast Program, or provides free milk under the Special Milk Program, the district shall submit to the New Jersey Department of Agriculture a free and reduced price policy statement pursuant to 7 CFR 245.10.

In accordance with 7 CFR 245.1(b), the district shall avoid any policy or practice leading to the overt identification of students receiving free or reduced price meal benefits. Overt identification is any action that may result in a child being recognized as potentially eligible for or certified for free or reduced price school meals. Unauthorized disclosure or overt identification of students receiving free and reduced price meal benefits is prohibited. The district shall ensure that a child's eligibility status is not disclosed at any point in the process of providing free and reduced price meals, including: notification of the availability of free and reduced price benefits; certification and notification of eligibility; provision of meals in the cafeteria; and the point of service. In addition, the district shall ensure students who receive free and reduced price benefits are not overtly identified when they are provided additional services under programs or activities available to low-income students based on their eligibility for free and reduced price meals.

Pursuant to 7 CFR 245.2, disclosure means revealing or using individual student's program eligibility information obtained through the free and reduced price meal or free milk eligibility process for a purpose other than the purpose for which the information was obtained. Disclosure includes, but is not limited to, access, release, or transfer of personal data about students by means of print, tape, microfilm, microfiche, electronic communication, or any other means. It includes eligibility information obtained through the school meals application or through direct certification.

If the district accepts both cash and electronic payments, the district shall ensure students are not overtly identified through the method of payment pursuant to 7 CFR 245.8(b). To the maximum extent practicable, the district must ensure the sale of non-program foods and the method of payment for non-program foods do not inadvertently result in students being identified by their peers as receiving free and reduced price benefits.

The School Business Administrator/Board Secretary or designee will verify applications of those eligible for free or reduced price meals in accordance with the requirements of the Division of Food and Nutrition, School Nutrition Programs, New Jersey Department of Agriculture.

E. Meal Charge Program – N.J.S.A. 18A:33-21

Option – Select One Option Below

[Option 1

— The Board of Education does not permit a student in the school district to charge for breakfast or lunch.]

[Option 2

The Board of Education provides a meal charge program to permit unsubsidized students in the district to charge for breakfast or lunch. Collection of any payment for a meal charge program account that is in arrears shall be addressed in accordance with provisions of this Policy.

“Unsubsidized student” means a student who is neither categorically eligible nor income-eligible for free or reduced price school meals, and who is, consequently, required to pay for any such meals that are served to the student under the National School Lunch Program or the Federal School Breakfast Program.

The Board of Education recognizes a student may not have breakfast or lunch (meal), as applicable, or money to purchase a meal at school on a school day causing the student’s meal charge account to fall into arrears. The district shall contact the student’s parent to provide notice of the arrearage and shall provide the parent with a period of ten school days to pay the amount due. If the student’s parent has not made full payment by the end of the designated ten school day period, then the district shall again contact the student’s parent to provide notice of any action to be taken by the school district in response to the arrearage.

A parent who has received a second notice their child’s meal bill is in arrears and who has not made payment in full within one week from the date of the second notice may be requested to meet with the Principal or designee to discuss and resolve the matter.

A parent’s refusal to meet with the Principal or designee or take other steps to resolve the matter may be indicative of more serious issues in the family or household. However, when a parent’s routine failure to provide breakfast or lunch is reasonably suspected to be indicative of child neglect,

the Principal or designee shall immediately report such suspicion to the Department of Children and Families, Division of Child Protection and Permanency as required in N.J.S.A. 9:6-8.10. Such reporting shall not be delayed to accommodate a parent's meeting with the Principal or designee.

A school district shall report at least biannually to the New Jersey Department of Agriculture the number of students who are denied school breakfast or school lunch in accordance with N.J.S.A. 18A:33-21.a.(2) and this Policy.

Nothing in N.J.S.A. 18A:33-21 or this Policy shall be construed to require the district to deny or restrict the ability of an unsubsidized student to access school breakfast or school lunch when the student's school breakfast or school lunch bill is in arrears.

The school or school district shall not:

1. Publicly identify or stigmatize an unsubsidized student who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears. (For example, by requiring the student to sit at a separate table or by requiring that the student wear a wristband, hand stamp, or identifying mark, or by serving the student an alternative meal);
2. Require an unsubsidized student, who cannot pay for a school breakfast or a school lunch or whose school breakfast or school lunch bill is in arrears to do chores or other work to pay for the school breakfast or school lunch;
3. Require an unsubsidized student to discard a school breakfast or school lunch after it has been served because of the student's inability to pay for a school breakfast or school lunch or because money is owed for previously provided meals;

OPERATIONS

4. Prohibit an unsubsidized student, or sibling of such a student, from attending or participating in non-fee-based extracurricular activities, field trips, or school events, from receiving grades, official transcripts, or report cards, or from graduating or attending graduation events, solely because of the student's unresolved meal debt; or
5. Require the parent of an unsubsidized student to pay fees or costs in excess of the actual amounts owed for meals previously served to the student.

If an unsubsidized student owes money for the equivalent of five or more school meals, the Principal or designee shall:

1. Determine whether the student is categorically eligible or income-eligible for free or reduced price meals, by conducting a review of all available records related to the student, and by making at least two attempts, not including the initial attempt made pursuant to N.J.S.A. 18A:33-21.c.(2), to contact the student's parent and have the parent fill out a school meals application; and
2. Contact the parent of the unsubsidized student to offer assistance with respect to the completion of the school meals application; and to determine if there are other issues in the household that have caused the student to have insufficient funds to purchase a school breakfast or school lunch; and to offer any other appropriate assistance.

The school district shall direct communications about a student's school breakfast or school lunch bill being in arrears to the parent and not to the student. Nothing in N.J.S.A. 18A:33-21 shall prohibit the school district from sending a student home with a letter addressed to a parent.

Notwithstanding the provisions of N.J.S.A. 18A:33-21 and the provisions of any other law, rule, or regulation to the contrary, an unsubsidized student shall not be denied access to a school meal, regardless of the student's ability to pay or the status of the student's meal arrearages, during any period of time in which the school is making a determination, pursuant to N.J.S.A. 18A:33-21.c., as to whether the student is eligible for, and can be certified to receive, free or reduced price meals.

The Board of Education believes it is important to afford students the opportunity to exercise their creativity, passion, and constitutionally-protected freedom of speech. However, the Board also believes this opportunity must be balanced between ensuring students have the right to speak freely while also preserving the ability of district staff to maintain the safe and orderly operation of the school district. The Board adopts this Policy granting students the right to exercise freedom of speech and of the press in accordance with N.J.S.A. 18A:36-44 and N.J.S.A. 18A:36-45.

For the purpose of this Policy, the following terms shall mean:

“Prior restraint” means a school official informing a student journalist(s) the news, opinion, feature, and advertising content of school-sponsored media, subject to the restrictions listed in N.J.S.A. 18A:36-45.b., N.J.S.A. 18A:36-45.c., and the provisions of this Policy, cannot be published in school-sponsored media or a school official takes any action to prevent a student from doing so.

“Prior review” means a school official reviewing school sponsored media before it is published, broadcast by a student journalist at school or distributed, or generally made available to members of the student body.

“School official” means the Principal or designee or an administrative staff member designated by the Superintendent.

“School-sponsored media” means any material that is prepared, substantially written, published, or broadcast by a student journalist at school, distributed or generally made available to members of the student body, and prepared under the direction of a student media advisor. School-sponsored media does not include media intended for distribution or transmission solely in the classroom in which the media is produced.

“Student journalist” means a student who gathers, compiles, writes, edits, photographs, records, or prepares information for dissemination in school-sponsored media.

“Student media advisor” means an individual employed, appointed, or designated by the district to supervise or provide instruction relating to school-sponsored media.

Student journalists have the right to exercise freedom of speech and of the press in school-sponsored media, regardless of whether the media is supported financially by the district or by use of school district facilities, or produced in conjunction with a class in which the student is

enrolled. Subject to 1. through 5. below, student journalists are responsible for determining the news, opinion, feature, and advertising content of school-sponsored media. N.J.S.A. 18A:36-45.b. and this Policy shall not be construed to prevent student media advisors from teaching professional standards of English and journalism to student journalists.

This Policy does not authorize or protect expression by a student that:

1. Is libelous or slanderous;
2. Constitutes an unwarranted invasion of privacy;
3. Is profane or obscene;
4. Violates Federal or State law; or
5. So incites students as to create a clear and present danger of the commission of an unlawful act, the violation of school district policies, or the material and substantial disruption of the orderly operation of the school.

The district shall not authorize any prior restraint of any school-sponsored media except for the types of expression prohibited under N.J.S.A. 18A:36-45.c. and as listed in 1. through 5. above.

A school official may implement a procedure for prior review of school-sponsored media. Any prior review of school-sponsored media required by the school official shall be communicated to the student journalist by the school official and be conducted within three school days after submission to the school official by the student journalist. If the school official cannot show the school-sponsored media is prohibited under N.J.S.A. 18A:36-45.c. and 1. through 5. above, within the three school days, the student journalist may release the school-sponsored media.

When a school official determines the restraint of student expression is necessary, the school official shall simultaneously identify at least one of the five prohibitions listed in 1. through 5. above under N.J.S.A. 18A:36-45.c. and in this Policy under which the limitation of student expression is appropriate. This determination shall be provided to the student journalist in writing by the school official that made the determination.

A student journalist may appeal, to the Superintendent or designee, a determination by a school official that the restraint of student expression is necessary. An appeal must be submitted in writing to the Superintendent or designee within five school days of the written determination being communicated to the student journalist. The appeal must include a copy of the written determination and the reasons why the student journalist believes the limitation is not appropriate. The Superintendent or designee may, but is not required to, provide the student journalist an opportunity to present their written appeal in person. The Superintendent or designee will make a determination on the appeal within five school days of receiving the written appeal from the student journalist. The student journalist may appeal a decision of the Superintendent or designee to the Board of Education in writing. The Board of Education will

make a decision on the appeal at the first Regular Board Meeting after receiving the written appeal or within ten school days after receiving the written appeal.

A student journalist that violates a provision of this Policy may be subject to appropriate discipline.

The school district shall not sanction a student operating as an independent journalist.

A staff member shall not be dismissed, suspended, disciplined, reassigned, transferred, or otherwise retaliated against solely for acting to protect a student engaged in the conduct authorized under N.J.S.A. 18A:36-44 and N.J.S.A. 18A:36-45 and this Policy, or refusing to infringe upon conduct that is protected by this Policy, the First Amendment to the United States Constitution, or paragraph 6 of Article I of the New Jersey Constitution.

The Superintendent or designee shall determine reasonable provisions for the time, place, and manner of student expression for the purposes of school-sponsored media.
